Courses Being Provided

Advanced ACO *April 26-28, 2022*

This 24-hour course is designed as an extension for the Basic ACO course geared toward more seasoned ACOs wanting to move forward in their careers.

Topics covered include but not limited to:
DSHS Advanced ACO Manual (Advanced Chapters)
Animal Identification
Animal Transportation
Animal Disposition
Occupational Safety
Animal Health
Rabies
Records and Forms
Sanitation and Disease Control
Public Relations
Building Community Relationships
Texas native wildlife identification
Wildlife capture & handling

Ideally suited for:

- ACOs who passed their basic exam more than 6 months ago.
- More seasoned ACOs wanting to complete level 2 in their training.
- First line animal control supervisors.
- Anyone wanting to further their animal control career.

DSHS Approved for 24 hours of ACO CE
