**Course Cost per Student:**

Rabies Supervisor - \$100

2021 Leg Updates - \$100

**Courses Being Provided:**

**Supervising Your Rabies Control Program**

8-12pm

This class will focus on an overview of the rabies laws and investigation procedures in Texas. We will review the disease itself, understand what constitutes a rabies exposure, and how to effectively manage a rabies control program from the 30,000 ft view.

This course is ideally suited for supervisors and managers who oversee their rabies program but are not necessarily investigators themselves.

*\*DSHS approved for 4 hours CEU\**

**2021 Legislative Updates**

1-3 pm

A lot of changes happened in the 2021 legislative session! This two-hour class will review all changes so you can be prepared and up to date on all the current laws relevant to Animal Control, Animal Shelters, & Rescue Organizations.
